

REMARKS

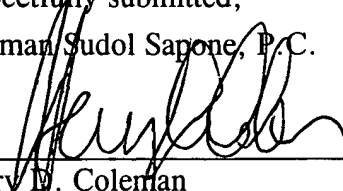

After amendment, claims 2-6, 8, 11 and 36-38 are pending in the present application, claims 7, 9-10 and 20 being cancelled in the present amendment. Claims 1, 21-26 and 28-33 were previously cancelled. Claims 12-19 and 34-35 have been withdrawn from consideration. Claims 36-39 are new and represent subject matter already found in claims 2 and 7. Support for the amendment to the claims can be found throughout the original specification and claims and in particular in claims 1 and 7 and at pages 25-34. No new matter is believed to have been presented by way of this amendment.

In his office action of April 8, 2004, Examiner Lukton rejected claims 2, 8 and 11 for the reasons stated in the office action. Essentially, Examiner Lukton submits that claims 2, 8 and 11 are anticipated by the prior art cited, namely Eagle, *J. Pharmacol.* 70, 221-7, 1940 and Doak, *J. Am. Chem. Soc.*, 62, 3010-3011, 1940. Applicants have amended claims 2 and 8 to avoid the chemical compounds which are disclosed in the above-two cited references. Given that claims 2 and 8 now are directed to subject matter which does not read on the two cited references, it is respectfully submitted that the claims are now allowable.

For the above reasons, Applicant respectfully asserts that the claims set forth in the amendment to the application of the present invention are now in compliance with 35 U.S.C. Applicants respectfully submit that the present application is now in condition for allowance and such action is earnestly solicited. Applicants have cancelled four claims (one independent) and added three claims, two independent. A fee in the amount of \$43.00 for the additional independent claim is therefore due. The Commissioner is hereby authorized to charge Deposit Account 04-0838 in the amount of \$43.00 for the additional independent claim. A supplemental information disclosure statement and references cited therein is also enclosed.

If any additional fee is due or any overpayment has been made, please charge/credit
Deposit Account No. 04-0838.

Respectfully submitted,
Coleman Sudol Sapone, P.C.
